

WESTERN HILLS COUNTRY CLUB

2020 CADDIE INFORMATION

NEW CADDIE TRAINING

Due to gathering restrictions and to keep everyone healthy during the evolving COVID-19 pandemic, we are **suspending on-course training** for new caddies originally scheduled to begin March 30 and April 1. However, Mr. Rogers will be contacting new candidates with an alternative online video to view in lieu of the classes scheduled for March 23 and 25. If you are not contacted or wish to be added to the class, please contact him via text, phone or email using the links listed on this page.

RETURNING CADDIES

Tentative starting date for 2020 remains April 25 although this may change if needed. Again, don't hesitate to contact the caddie manager for the latest updates.
